Dear Mr. Bailey,

Thank you for your inquiry of 20 May.

I regret that due to severe limits on his time Admiral Turner will be unable to personally respond to your questions point by point.

However, the public statements Admiral Turner has already made will go far in answering the questions you have posed. I am therefore enclosing a transcript of his appearance on "Face the Nation" on 20 March and his responses in an interview with U.S. News & World Report on 16 May. I am also forwarding Executive Order 11905 which provides the presidential guidelines under which the Agency operates and which answers your questions on organization and responsibilities.

The photograph and the biographical sketch you requested are enclosed.

Thank you so much for your interest. If this office can be of further assistance, please let us know.

Sincerely,

SIGNED
